

ASSOCIATE THERAPIST
Associate Marriage & Family Therapist (AMFT) or
Associate Clinical Social Worker (ACSW)

ABOUT ANCHOR PSYCHOTHERAPY, INC.

Anchor Psychotherapy, Inc. is a psychotherapy practice based in Pasadena, California that provides individual, family, and group therapy to children, teens, and adults. Anchor Psychotherapy, Inc. is a private practice setting, wherein Associate Marriage & Family Therapists are provided with opportunities to refine their therapeutic skills working with children, teenagers, and adults struggling with a wide range of presenting problems, while supervised.

POSITION DEFINITION

The Associate (either Associate Marriage & Family Therapist or Associate Clinical Social Worker) is responsible for providing therapy services for individuals (children through adults), couples and families, and groups based on needs determined collectively by clients, therapist, and supervisor. This position is expected to build and carry a caseload of at least 20-25 clients, with opportunity to grow depending on interest and availability.

COMPENSATION

- Fee split (40% to Associate, 60% to practice) based on client fees ranging from \$150-250
- This is a W-2 position, and taxes/deductions will apply as such.

SUPERVISION RECEIVED AND EXERCISED

Receives general and clinical supervision from Anchor Psychotherapy, Inc. CEO & Clinical Supervisor Bren M. Chasse, LMFT. Exercises no direct supervision of staff.

ESSENTIAL TASKS

- Provide relational psychotherapy services to clients (individuals, families, couples, groups) weekly, as assigned
- Attend and actively participate in weekly clinical supervision sessions, bringing to Supervisor's attention any case questions, issues of countertransference, case conceptualizations, and more
- Complete professional documentation of services rendered within 48 hours (e.g., progress notes, biopsychosocial assessments, diagnoses and treatment plans) using the practice's Electronic Health Records system (SimplePractice) and complying with HIPPA requirements
- Participate in care coordination, including, but not limited to, scheduling with clients, provision of resources or case management support, treatment planning, and client billing
- Engage in regular marketing and networking activities to recruit clients and support the building of a caseload
- Correspond with all assigned client referrals within 24 hours and perform all client onboarding tasks as outlined in the intake process

QUALIFICATIONS

Required Education & Experience:

- Masters Degree in Marriage and Family Therapy, Social Work, and/or Professional Counseling, or another relevant psychotherapy or counseling masters level education
- Possession of a valid Associate registration number (AMFT or ACSW) from the California Board of Behavioral Sciences (BBS), to be maintained throughout employment

- Trained in, certified in, or willing to become trained in Eye Movement Desensitization & Reprocessing (EMDR) (at Associate's expense)
- At least one year of experience providing services as a psychotherapist (including practicum/internship experience)

Other Requirements:

- Demonstrated understanding and working knowledge of clinical skills required for implementing psychotherapy services
- Availability for maintaining a hybrid caseload consisting of both remote and in-person sessions as clinically indicated, including:
 - Access to adequate Wi-Fi connection and hardware (e.g., computer, phone) for use of HIPPA compliant virtual meetings, if assigned
 - Reliable transportation to and from office locations in Pasadena and Eagle Rock

Preferred Qualifications:

- Experience or interest in working with survivors of trauma and/or court-involved or high-conflict families
- Experience working with a digital Electronic Health Records (EHR) system, especially SimplePractice
- Less than 1,500 hours completed toward licensure
- Interest in seeking clinical training opportunities to further develop therapeutic skillset

PHYSICAL DEMANDS & WORKING CONDITIONS

Must possess mobility to work in a standard office setting and use standard office equipment, including a computer and hearing and speech to communicate in person and over the telephone. This position may occasionally bend, stoop, kneel, reach, push, and pull drawers open and closed to retrieve and use office and therapeutic equipment.

Employees work in an office environment with mild to moderate noise levels, controlled temperature conditions, and no direct exposure to hazardous physical substances. Employees may encounter interpersonal situations in the course of their work. Occasional to regular evening and weekend work may be required as job duties demand.
